"Lafferty's Complete Flour."

The Color is a brilliant white. Nutty flavor—appetizing.

It has NO woody fiber, bran, in it. It makes beautiful bread. It is very rich, near 300 times the best flour in the elements that nourish the BRAIN, the DIGESTIVE FLUIDS, the TEETH and BONES. Constipation, brain fatigue, indigestion, irritability of stomach and dyspepsia, caused by underfed and starved organisms, are cured by the simple and sensible process of supplying the needed nourishment to BRAIN, NERVE, BILE, BONE. The healthy ought to use it to escape these diseases. It has been tested by official analysis and by use.

We have heaps on heaps of letters testifying its merits. The THEORY is sustained by actual facts. A lot of "Complete Flour" is sold in bags and barrels. Ask your grocer for a trial bag, \$1.

Dr. Hunter McGuire, Richmond, Va., says: "Its value would be hard to overestimate."
